Murder in Talbot County, Md.

On Saturday night last a man named Whitman accompanied by his wife, while returning to their home from a store, near Song Woods, Talbot Co., Md., were followed by two negro men, named Geo. Wheeler and Wm. Hines. When the negroes overtook Whitman the one named Wheeler struck him a violent blow over the head with a heavy piece of carriage shaft, knocking him senseless to the ground. The black fiend then turned upon Mrs. Whitman and struck her also with the shaft breaking her skull and killing her almost instantly. Mr. Whitman, in a short time, returned to consciousness and went back to the store and told what had been done. A number of persons went to the place and found the woman lying dead upon the ground. They then went in search of the murderers, and on the next morning, the negro, Wheeler, was found behind the barn of Dr. Neal with his throat badly, though not fatally cut. He had tried to commit suicide. He confessed that he had killed the woman, and implicated the other negro, Hines, as his assistant.

The excited people could scarcely be prevented from lynching the villains. They were lodged in jail.

The negro, Wheeler, is said to be a desperate character, having already served two terms in the penitentiary. The reason for this brutal murder was stated in a letter to the *Baltimore Sun* as follows:—"It seems that both Geo. Wheeler, negro, and Mrs. Margaret Whitman, white woman, have been in the employ of Dr. Neal. One day last week, during a busy season, Wheeler quit work on the plea of sickness. Mrs. Whitman, who passes the house of Wheeler in going from her house to Dr. Neal's, saw Wheeler at work in his garden and reported the fact to the doctor. By some means Wheeler learned that Mrs. Whitman had informed upon him and vowed vengeance."

The Agricultural Association.

The regular quarterly meeting of the Peninsular Agricultural Association, to be held to-day, will be the most important meeting since the organization, as the report of the several Committees will be heard, and the time of holding the Exhibition fixed. The Oxford fair will be held Sept. 30th, Oct. 1st, and 2nd. The Chester County Fair, at Westchester, Oct. 7th, 8th, and 9th, and, doubtless, will be well attended, as those associations are in a flourishing condition. The exhibition here will doubtless attract very many persons, particularly from the South and East, and it becomes our farmers to endeavor to make our fair, second to none. The grounds are rapidly approaching the appearance of a first class fair ground, and we learn from the committee that nothing will be omitted, if possible, that will add to the comfort of visitors, and everything that will render it pleasant, as well as profitable to exhibitors, will be done. Certainly this place, being easy of access from all parts of the Peninsula by rail, and in a central position as regards location, should be able to make such a display of products, grain, fruit, and stock of all kinds, as to properly exhibit the productiveness of our soil, and the thrift of our people. Actuated by such feelings, there can be "no such word as fail."

Sale of a Railroad.

The many efforts of the stockholders and directors of the J. & B. R. R. to effect a sale of it, have at last been successful. The Road was sold last week, to the "Old Dominion Steamship Co.," of New York, at about the same price as President Hinckley agreed to give last Spring. As soon as the new owners take possession of the road their steamers will make Lewes a stepping point on their trips between New York and Richmond. The change, it is thought, will be a beneficial one to the produce growers of Southern Delaware.

Struck by Lightning.

During the storm on Saturday evening, 11th inst. the lightning struck the parsonage of Bethel M. E. Church, and running down the rod, on the North end of the building, destroying one or two of the insulators. Entering one of the windows it started the casing and scorched the sill and washboard. Strange to say the pastor, Rev. C. F. Sheppard, and family, received no injury, except a slight shock.

Barn Burned.

The large hay barracks of W. H. H. Clark, at Delaware City, were destroyed by fire last Saturday morning, about 10 o'clock. The place contained about thirty tons of hay, belonging to Theodore F. Clark. It is supposed the fire originated by one of the many tramps—with which the country is filled at this season of the year—throwing a lighted match after having lit his pipe or cigar.

Killed on the Railroad.

Leonard Jump, of Millford, employed by Jordan, Fox & Co., of Philadelphia, was killed on an excursion train, from Harrington to Lewes, on Wednesday morning. He attempted to get on the train at Nassau station while starting, fell, and was crushed between the car and platform.

Divine Service.

Rev. Dr. Matlack having returned there will be Divine Service at the M. E. Church to-morrow (Sunday) morning and evening.

Maryland Affairs.

DECEASEMENT OF AN ELKTON MERCHANT.—Wm. McClelland, Jr., son of William McClelland, Sr., who resides in Delaware, suddenly disappeared from Elkton on Monday week, abandoning his store and family and has not been seen or heard from since. He left a letter in the family bible, bidding good-bye to his friends, and stating the reason for his sudden departure, which the *Whig* says was on account of failure in business and the detection of numerous forgeries upon his father's credit which he knew to be inevitable. The senior McClelland held a bill of sale of the goods remaining in the store unsold, and disposed of them for what they would bring a few days ago. A peculiarity of the deceasing McClelland was that he kept a journal, in which he noted down among current events, the parties' name with whom he had pecuniary transactions, and who helped him over difficulties by shaving his notes and other obligations. On these friends in time of need, it is said, he reflects in his journal with considerable asperity.

The following land sales were made at Chestertown, Kent county, on Tuesday last: The farm on Still Pond creek, containing 215 acres, to Alfred J. Davis for \$25 per acre, and H. H. H. On the same day two lots in the upper part of Chestertown were sold, one containing four acres, to John K. Willis for \$185, and another of two acres, to W. R. Uiston for \$281.

KENT COUNTY RAILROAD.—At a meeting of the board of directors of the Kent Co. Railroad Company, on the 10th inst., the road was leased to Mr. M. W. Serat, the president of the company. We understand there is some probability of a change in the running of trains and reduction of freight.—*Kent News.*

John W. Griffin, colored, who was convicted at the May term of the Circuit Court for Queen Anne's county of stealing a brass ring from Jacob H. Calloway, of Queenstown, and sentenced to three months' imprisonment in the county jail, died in that institution on Thursday of last week, of typhoid fever.

On Tuesday last a son of Mr. Jerry Irvin, aged four years, while playing in a lot adjoining his father's residence, at Cambridge, Dorchester county, was kicked by a horse upon the skull and arm, bruising and smashing them in a fearful manner. Fears are entertained for his recovery.

A fraternal camp meeting will commence at Old Bay Side, Talbot county, on the 19th of August, under the auspices of the Methodist Episcopal Church South, in which all Methodists are invited to participate.

Henry Benson, negro, arrested on the charge of an attempt to commit a felonious assault upon the person of Mrs. Sarah E. Denny, in Talbot county, last week, waited an examination and was committed to await the action of the grand jury.

The Groome Guards, of Elkton, numbering forty-two members, were mustered into service on Wednesday evening last by Assistant Adjutant General Bunington and Colonel McWilliams.

A farm in Landing Neck, Trappe district, Talbot county, formerly the property of Mr. Isaac Henry, containing 133 acres, was sold on Tuesday week to Mr. William Calhoun, for \$2,500.

Saturday a spark from a steam thrasher destroyed three hundred bushels of wheat for Mr. Albert Willis, and also burned the corn house and other adjacent buildings.

The Cecil county temperance convention will meet at Elkton, on Wednesday, 20th inst., free to all who have heretofore been connected with the temperance work.

The new Catholic church in Meekins's Neck, Dorchester county, was dedicated on Sunday morning last by Rev. Thomas A. Becker of Wilmington, Del.

Mr. Barclay Reynolds has disposed of 17 acres of land, adjoining the borough of Rising Sun, Cecil county, for \$100 per acre.

The Queenstown circuit, Caroline county, contemplate holding a camp-meeting on Wye camp ground on the 7th of August.

The young men of Elkton are about making arrangements for a tournament, to come off about the 1st of September.

The camp-meeting in Baker's woods near Chestertown, Kent county, will commence on Tuesday, the 28th inst.

Camp-meeting will commence on the Rock Run camp ground, Hartford county, on Thursday, the 30th inst.

Inflation.
A great hubbub is being made
Throughout this mighty nation;
And "Hub" and "Bub" are questioning
The question of "Inflation."

Inflation means to fill with wind.
"Raising the wind" is the trouble—
But too much "blow" might spoil the work
And burst the mighty bubble.

Still, being short of Greenbacks, is
More serious than funny,
For folks can never get *along*
When they are *short* of money.

So I, to mend the matter soon,
And counter high rises,
Am selling goods of every kind,
For half the usual prices.

If cash should be short you can make it go
far by making your purchases from my splendid
